THE GREAT african welly walk 2017

Children in eastern Africa could have better lives if their families were able to earn a reliable living from their land. Farm Africa works with farmers in Kenya, Ethiopia, Uganda and Tanzania, helping them learn all the skills they need to produce more, sell more and earn more. By supporting the Great African Welly Walk, you could help more families earn enough to give their children a good education and a healthier, more prosperous future.
