

WE'RE TAKING OUR WELLIES ON A VOYAGE OF DISCOVERY AROUND AFRICA!

THE GREAT
african
welly
walk

It's time to go exploring around Africa. What crops will we see growing?
What landmarks will we discover? Which animals do we recognise?
Who will we meet along the way?

YOU CAN HELP CHILDREN LIKE ALPHA HAVE A BETTER FUTURE

Alpha is seven years old. He lives in a village in Trans-Nzoia County, western Kenya. Like many children in the UK, he loves playing football and learning at school.

His parents are farmers but they often struggle to earn enough money to buy the things their family needs. Sometimes they don't have enough money to pay for Alpha and his sister Angelina to attend school, so they get sent home and miss out on their lessons.

“ I like to help out on my mum and dad's farm. I like to help with the weeding. When I am older I would like to be a farmer. ”

The money you raise by taking part in the Great African Welly Walk could help farmers like Alpha's parents learn all the skills they need to earn more money from their land – so they can give their children the best possible start in life.
