

WHAT ELSE CAN YOU AND YOUR WELLIES DO?

There are so many fun and easy ways your school can help farmers in eastern Africa build better futures for their children...

WELLY-GOOD CAKES

You could sell welly-shaped biscuits or Africa-themed cakes at lunchtime or after school. Ask pupils to bring cakes from home, or make them in class.

WEAR YOUR WELLIES

Ask pupils to make a donation and wear their wellies to school. You could be extra generous and combine wellies with a non-uniform day!

WELLY THEMED HARVEST ASSEMBLY

Harvest is a time to give thanks for the abundance of food we have to eat. So what better time to help African families learn how to grow more, sell more and earn more from their land? Use your harvest assembly as a chance to support the farmers we work with by collecting donations for Farm Africa.

BOOT-IFUL BOOTS

Get out the glitter, glue and paint and ask your pupils to decorate their wellies. They could make them Africa or farming themed! Children donate to take part and you could exhibit the wellies afterwards.

WELLY WANGING

Make a donation to take part and find out who can throw their wellies the furthest! You could get parents involved in a welly wanging competition too.

FILL YOUR BOOTS

Wellies are great for collecting donations in! How much loose change can your school collect? Perhaps each class could try and fill a welly and see who can raise the most.
